

Tread Lightly
for Lent
Daily reflection-action calendar
2023

Presbyterian Church (U.S.A.)
Presbyterian Mission

In Lent, we reflect on Christ's ministry, death and resurrection.

We slow down, take time, and examine our internal spiritual lives and the way we live out our Christian faith in the world around us.

Our hope is that this Lenten calendar will be the beginning of actions intended to create more mindful behaviors throughout the year.

The Presbyterian Hunger Program walks with people in adopting sustainable choices that restore and protect all of God's children and Creation. As people of faith, we seek to "serve and preserve" God's world. However, some of our collective choices have led to a changing global climate. To turn this tide, we must commit to treading lightly on God's Earth.
