

**Words of gratitude delivered to Denice Trawicki,
Contemporary Music Coordinator, on her last Sunday
at Grace Covenant Presbyterian Church, Overland Park, KS
by Rebecca Prater, Director of Music Ministries
March 15, 2020**

17 years ago, Denice Trawicki came to Grace Covenant Presbyterian Church as our Contemporary Music Coordinator. During that time, she got married, had 2 children and is now the mother of a teenager.

And now, approximately 782 worship services later here we are. Filled with gratitude and sadness on what is Denice's final worship service with us.

Denice has shared her immense talents by planning music for our Contemporary Worship Service & rehearsing Praise Team as they helped us worship through music. And she will be missed.

Denice, I speak for all who are here and all who are out there when I say, "thank you." Thank you for all you've done for our congregation. For all your time and talent and for sharing who you are with us. (*Flowers are given...an additional gift was given off camera*) In addition to the flowers, there are other words of appreciation coming to you from our congregation in the coming weeks from our members who are not present today.

God's blessings to you in the journey from here.

Please join me in expressing our thanks to Denice.
