GRACE NOTES

This kind of loving community

One of the greatest gifts of being co-pastors who share or take turns leading worship is being able to observe and take in many wonderful moments during the service. Now I'm not talking about the special services when there is a baptism or communion or the orchestra is playing – no, it's the "every Sunday" ordinary worship services that are the most uplifting.

I have a different vantage point from the congregation, so I have an opportunity to see most everyone's faces – they are a wide variety of features and expressions, some happy, some thoughtful, some sad. I see grandparents and parents, married and single people, teens and small children. I see children who are shy at first that become "adopted" by a loving church family and church becomes a happy place for them.

I see people from across the LGBTQIA spectrum knowing they are not simply welcomed, but appreciated at Grace Covenant. There are people with diverse opinions on a wide range of social issues, but still treating each other with respect and friendship.

There's even everybody's furry friend Nevin (rhymes with "Kevin"), laying on his small blanket at the feet of his owner Joy. I'm fairly certain that Nevin pays closer attention to the sermons than some of the people.

It's this variety of people, opinions, and life circumstances that always make GCPC feel like a special place – one of acceptance, compassion, and forgiveness.

It is good to be in everyone's presence during worship, especially because this kind of loving community is what Jesus wants all his disciples to strive for each and every day.

Peace be with you all,

—*Mitch Trigger*

God gathers us in a welcoming community, with our curiosity and questions, to worship creatively, learn from God's word, share our gifts, and deepen our faith.

With grateful hearts and a spirit of adventure, we go to serve Christ in the world, sharing kindness with everyone, and working for justice rooted in God's love.

Vacation Bible School June 5-9, 9am-Noon
Ages 4 – 5th Grade

Register at gcpc.org/vbs

Calling all kids 4 yrs – 5th grade! Are you ready to be a hero? At Vacation Bible School we're going to discover how you can be one of God's heroes! We will be going to the depths of a colorful underground cave where we'll find the beating heart of the hero community. At the Hero Hotline Headquarters, everyone's gifts are valued, and every hero has a role to play. Each day at the Hero Hotline Headquarters, superheroes of all ages and abilities will answer the call and join the Professor and veteran hero, Super Meer the Meerkat, to provide expert assistance and solutions to Hero Teams everywhere.

Our heroes will experience biblical stories through music, drama, storytelling, games, crafts, science, and even snacks! They'll learn that heroes are called to Follow Jesus, Help Others, Work Together, Listen to God, and Show Grace! And, best of all, they'll be invited to answer this call at VBS, at church, at home, and every area of their lives.

Vacation Bible School registration is still open! Visit gcpc.org/vbs to register children age 4 through those who have completed 5th grade. We hope you will join us and invite a friend too! VBS will be held daily from Monday June 5 - Friday June 9 from 9am - 12noon.

Our VBS decorating team needs your help! Our decorating team will be working on our Hero Headquarters transformation, and we'd love any helping hands. Contact Christy Soule or Kristy Shaw if you have any questions about these sessions. (Meet us in Heartland Hall for all dates.)

- Friday, June 2 — 10am–12pm and 1–3pm
- Saturday, June 3 — 10am–12pm and 1–3pm
- Sunday, June 5 — after worship

You can donate snacks for our VBS staff. We really appreciate the delicious treats you've brought in past years. We have a wonderful team of volunteers ready to set up a snack lounge in room 21. Please bring your donations to room 21 on or before June 5. Thank you!

Find us on Facebook. You can follow all the action on our VBS Facebook page: <https://www.facebook.com/groups/287792516652247/> or search for: GCPC's Hero Hotline Vacation Bible School. You'll be able to follow the daily activities, see pictures of our heroes in action and more. This is a private page, so you will need to request to join.

Join us June 11 for a VBS celebration during the worship hour at 9:30am.

We will sing the songs and share the stories of heroes in the Bible.

We can't wait to tell you all about the mission work we'll have done and more.

"THANK YOU" NOTES

"Thank you" to Liz Chandler for envisioning and Steve Becher for building a cart to move our percussion instruments from one place to another as needed. What a great help!

"Thank you" to Bob & Linda Dover for donating a Bluetooth Speaker that can play recordings via Bluetooth in our choral rehearsals for all to hear.

SUMMER REHEARSAL BREAK

Most of our music ensembles are either on a Summer Rehearsal Break or are not rehearsing as often. We will gear up again in August & September.

Watch for news regarding our Fall Music Schedule in the July 2023 Grace Notes newsletter.

"Thank you" to all directors, assistants, accompanists, singers, ringers, instrumentalists, and librarians for sharing your God-given gifts in 2022-2023.

Have your kids outgrown their car seats?

Donate them to Renewed Hope!

If you have gently used car seats that your kids or grandkids don't need anymore, give them a second life by donating them to the Renewed Hope Food Pantry. Renewed Hope volunteers watch the car line for kids without car seats, and try to provide one matching the children's ages and weights. Just put donated car seats in the Renewed Hope bin in the weekday entrance, and thanks for helping keep all the kids safer on the road.

Tactile Lap Quilt Work Dates

We will have two upcoming gatherings to sew notions into 6-1/2" fabric squares; June 10 and July 8 from 10am–12pm in Room 3. All you need to bring is your machine, thread and scissors, or just a needle if you are a hand sewer.

If you would like to participate, or if you would like to sew from home, contact Donna Heer, taxdheer@gmail.com.

Good Faith Network

Nearly 30 GCPC members turned up at the Nehemiah Action meeting on May 2. This was a great turnout for one of our first official activities as a member of the Good Faith Network! The program that evening was extremely informative; Johnson County Commission Chairman Mike Kelly was present. Although he couldn't simply agree to all GFN's requests, he did respond positively and promised further action on all 3 of the proposals. Commissioner Andy Brown of the Kansas Department of Aging and Disability Services was also present and spoke about resources and funding available to Johnson County from the State to achieve GFN's goals.

We hope to see further forward motion on resolving the lack of affordable housing, mental health care, and homelessness in 2023!

Resource Library Under Construction

If you are asked to teach an adult Sunday school class, preach a sermon when the pastors are away, lead a Bible study, or just want to enrich yourself with study at home, we are developing a new resource library just for you.

We have received some extraordinary donations of Biblical commentaries, study resources, and DVD studies that will help you in your study. The Connections Commentary series is a new commentary series designed to bring Scripture to life for 21st century preaching and study. Thanks to Linda Hoffman (*donating in memory of Joe*) and the Triggers, we have a complete set. Looking for a resource on church history? We have them. Want a resource on the Old Testament or New Testament? We have them.

We will be gradually moving some study resources from the concourse library into room 21, creating an excellent study library. The concourse library will continue to offer religious and secular fiction for all ages, non-fiction, and children's books. Stop by and check it out.

77th IHN Rotation is coming to Grace Covenant June 11-18, 2023!

Thank you to everyone that helped with our May Host Week! We are moving forward with our preparations for a June Host week. Two new volunteers are assigned to our church, so if you see a name you don't recognize, please welcome Lynn and Linda to hosting, laundry, etc.

We have two SignUpGenius lists below for all our members and friends to help with in June.

The food SignUpGenius provides a dinner meal for our guests and the two hosts each night. Guests pack leftovers for lunch the next day. Since all children in the program are not receiving school lunches during the summer, we may need to allow for their lunch — two kids usually equate to one adult portion. You will be able to get more accurate meal numbers about four days before the host week starts.

Here is the Food sign-up link: <https://www.signupgenius.com/go/10C0B4EABAE28A1FF2-ihnfood7>

The Set Up, Tear Down, and Laundry sign-ups ask for help with set up (5 folks) on June 11th at noon or tear down (5 folks) on June 18th at 8:00am. Also we need a larger number of laundry volunteers (10) this rotation. And we have an opportunity to help Cathy Haun with lifting large totes in and out of the IHN closet, as well as getting the laundry totes from the Weekday Entrance back downstairs when they are returned.

Getting to know GCPC Committees: Mission Team

The Mission Team focuses on the “Christ with our HANDS” piece of GCPC’s core values, leading church actions in faith to provide service to our community, do social justice advocacy, and be a vibrant, caring, and engaged congregation.

The team seeks to arrange mission opportunities involving gifts of money, or in-kind items, or volunteer time, for example:

- **Money** – Monthly communion offering, New Hope Food Pantry, noisy offerings
- **In-kind** – Monthly donation partner, Red Bag, Rosehill School
- **Volunteer time** – Blood drives, CROP Walk, IHN, KCK Hot Lunch, Uplift

A number of the things listed above really belong in more than one of these three groups.

There are some types of activities that we feel are essential, as follows:

- **Advocacy** – Good Faith Network, Matthew 25 Congregation, Poor People’s Campaign
- **Denomination** – As a PCUSA congregation, supporting the four PCUSA special offerings
- **International** – Haiti Child Nutrition Program, Maya Quiche Partnership, PCUSA mission coworkers

For some activities, the Mission Team provides oversight and support to a congregational volunteer who is not required to be on the team and does the real work. Examples are blood drives, CROP Walk, IHN, KCK Hot Lunch, Reg Bag, and Uplift.

The Mission Team is also the primary organizer of one or two Workshop Sundays each year and for the first time in 2023 organized the 40 Days 40 Items in-kind donation collection during Lent.

The Mission Team meets the first Monday of the month at 6 p.m. (on Zoom since April 2020). To learn more, you can contact moderator Mikki Walker at michala.walker@gmail.com.

Can Recycling = (Almost) Free Money for Your Favorite GCPC Team or Mission

With Miles’ departure, we need a new system for getting the aluminum cans in the can shed to the scrap metal recycler. The good news is, taking cans to the recycler is a source of easy money! The bad news is, we need volunteers to do it. The scrap metal recyclers are located in KCMO, and you need a large vehicle like a truck or van to do it efficiently. (*Taking a trunkful of cans in a sedan isn’t worth the time it takes to get there and back.*) We need to keep up with the cans as they come in so that the volume doesn’t become overwhelming.

For the next 3 months, we’d like to try a pilot program where any interested church member can sign up to take a load of cans each month. Whoever takes the cans in a given month gets to decide where the money for that load goes - you can direct it to your favorite GCPC Ministry Team (like Facilities Team or Children’s Team) or to your favorite GCPC mission partner (like IHN or Uplift). The price of aluminum varies, but Miles used to get anywhere from \$50 to \$100 per truckload of cans. At the end of July, we’ll determine the success of the pilot program and decide how to move forward. If you’re interested in getting more details and/or taking the cans in May, June, or July, **contact Mikki Walker** at michala.walker@gmail.com.

Clerk's Corner

At the session meeting on May 15, we heard the following reports from teams:

- Finance Team is pleased that pledge payments are ahead of schedule. They meet jointly with Generosity Team in April.
- The Facilities Team is working on a solar power proposal. Spring Work Day was well attended.
- The Youth Team needs members and summer volunteers to continue quality programming.
- Bell Fest was fun and Rosehill Elementary appreciated the music and art supplies that were donated.
- Trivia night was fun despite a lack of childcare; Connections & Care Team is planning a movie night on June 9.
- Adult Team reported that the Questions of Faith series has been very popular and will return in the fall.
- We will host IHN again June 11-18 and Workshop is scheduled for October 8. Members who attended the Good Faith Network Nehemiah workshop gave positive feedback.
- Personnel team is working on staff evaluations and new staff model options
- The "We're all in this together" group would like to create a Facebook page related to earth care advocacy. Session did not approve the motion at this time, but may in the future after additional information is available.

The June Session meeting will be held on June 20 instead of June 19 so that staff can enjoy their Juneteenth holiday fully. Our new elders will be ordained on Sunday, May 21.

A Healthy Congregations workshop will be held locally on August 12. Everyone in the Congregation is encourage to attend if possible. More information will be available in the coming weeks.

Please let me know if you have question about Session activities.

—Melanie Townsend, Clerk of Session

Facilities Message

Dear GCGC Members,

As you all are aware we are an Earth Care church. As with all things we have had to make some changes to our methods of recycling.

I'm sure many of you have wondered about the two paper recycling containers that we used to have on the west side of the church. The programs we were involved in no longer exist. Therefore those bins are removed. In fact we are not recycling outside paper (*mostly newspapers*). We will continue to recycle the correct paper products used within our building.

The tall wooden aluminum can recycling bin will take soda (*and similar drink*) cans. Please be sure they are empty and well rinse before putting them in the bin. We will soon have one larger container inside (*TBA as well as location*) and will let you know about it when it arrives.

We currently have a green compostables container in the kitchen between the refrigerator and freezer. Mikki Walker whose Mission Team is sponsoring this, is our resident expert and can give you guidance if you need it.

The Facilities Team is continuing the work of discovering and uncovering any no longer needed items in the church. If it is something still be used or of historical value, we will continue to hold on or memorialize it. We will donate where we can, recycle when we can, but we will remove what is out of date if we need to so we can accommodate future needs of the church.

If you would like to help with removing items for donation and can take them to those donation sites, please text Liz Chandler 913-406-5226 or email lizchandler814@yahoo.com to let me know how you can help. Thank you.

Generosity Team Update For Good – Living in God’s Grace

We’d like to share with you the pledging update as of May 16, 2023, which is 37% of the calendar year. There’s been positive movement with 42% of projected pledge amounts being received. Some of that can be attributed to members who have pre-paid their 2023 pledges, but we must also thank the timely generosity of our members. We are happy to share that we have received 1 additional pledge last month. We want to share a note of caution, while the overall picture is healthy - we still have 24 of the submitted pledges and 9 of the rollover pledges remaining at 0% in Mid May.

Here is our giving progress shown by numbers of pledges

Submitted Pledges (102)	April 12th	May 16th	Rollover Pledges (28)	April 12th	May 16th
0% fulfilled	32	24	0% fulfilled	11	9
1-25% fulfilled	33	12	1-25% fulfilled	6	1
26-50% fulfilled	29	52	26-50% fulfilled	9	9
51-75% fulfilled	0	3	51-75% fulfilled	1	5
76-100% fulfilled	7	11	76-100% fulfilled	1	4
\$533,282.63	\$187,129	\$211,291.51	\$101,369	\$15,480	\$53,965

5 groupings are used to show giving progress and calendar relationship. They are 0%, 1-25%, 26-50%, 51-75%, 76-100%. Each pledge falls into one of these groups.

We are seeing our 0% fulfilled numbers slowly decreasing. If a person or family hasn’t given any funds yet toward either their submitted or rollover pledge in 2023, they are in the 0% fulfilled category. As always, we thank you for your generosity and commitment to Grace Covenant. If you have questions about the above information, please contact any of the members of your Generosity Team: Dave Sutherland, Ryan Hussey, Bill Brown, Jane Knoche, and Mitch Trigger.

Faith and Hope Campaign Update

Our \$50,000 Faith and Hope Campaign has one additional pledge since last month! Thank you for the \$100 supplemental pledge! That makes 34 members who have come forward with a supplemental pledge amount. As of May 16, 2023, 43% of our goal has been raised for a total of \$21,635.

You may be wondering why are we still campaigning for more funds? Our largest budget expenses are Facilities and Personnel. The other committee budgets are so tight, there is no room to grow these programs. Yes, we are down one staff person and the Personnel committee is preparing a Staffing Study to present to Session. If the result is to hire an additional staff, we would want to put our best foot forward. Potential candidates could be deterred by a deficit budget.

Please consider our Faith and Hope Campaign and give a supplemental pledge. You can access it through our giving portal and choosing the 2023 Faith and Hope Fund or by sending an email to Tara Hyder, finance@gcpc.org. Here is the link if you don’t want to use the QR code. Getting to know GCPC Committees: Welcoming Team

Do you remember the first time you visited a new church? Did you wonder if you would know where to go or sit? Did you hope that someone would notice you are new and talk to you? Was there a nursery for my baby?

If you grew up in the church, those questions never came up for you. You already were comfortable and accepted by the congregation. The Welcome Team has an additional greeter at the front door each week to spot new visitors and welcome them. Those ladies are **Chris Binkley, Lynn Long, Terra Howard, Linda Rosine and Caroline Becher.**

As a member of the congregation, you can extend a special welcome to those visiting Grace. Please remember that sitting on the end of the pew is not as welcoming as moving into the middle of the pew. That way you are inviting someone to sit with you. By wearing your name tags, it provides an opportunity for visitors to get to know you.

If you are sitting in the same row, make sure they sign the Attendance Pads. If they do sign in, Rosemary Gibson follows up with a handwritten note thanking them for visiting Grace.

In addition to welcoming guests, we facilitate the New Members classes taught by Pastor Sue and Pastor Mitch. If you would like to be a part of the Welcoming Team, please contact me. Those who like to greet visitors and extend the hand of friendship will be welcomed to the Team.
