MISSION

TODAY MARKS THE END OF OUR 80TH WEEK hosting IHN guests at GCPC! Thank you to all the volunteers who make the program possible.

OPPORTUNITY TO EXPAND COMPOSTING AT GCPC — PLEASE RESPOND BY 2/18 IF INTERESTED!

Late last year, Food Cycle KC decided to discontinue the composting program we had been participating in at GCPC. In looking for options to continue composting, we've found out that it may be possible to expand our composting program. The expanded program would allow GCPC members to bring their household compostable waste to church — but we'll only move forward if there is sufficient interest.

Here's how it would work: There would be a 64-gallon trash bin with a locking lid outside by the aluminum recycling can shed in the west parking lot. Each participating household would sign up directly with KC Can Compost (KCCC) and pay a monthly cost of \$12.99 directly to KCCC. Participants would receive a bucket and the code to unlock the big bin from KCCC and could bring their full buckets to church to pour into the big bin at any time. Participants will not be allowed to bring empty buckets into the church to clean, so use of compostable bucket liners is encouraged. Information about what compostables KCCC accepts is available at <https://kccancompost.com/compostable-item>.

Overall, the monthly cost for this program is \$60. However, KCCC will reduce that amount by \$12 for every GCPC participating household. So if at least five people sign up, the program would be free to the church. This program would only be available to GCPC members.

You can read more about why composting is important to fight climate change and the good work that KCCC does in our local community at kccancompost.com. If you're interested in participating, please let Mikki Walker know by February 18 — and let Mikki know if you have any questions. Send them to michala.walker@gmail.com, or just talk to her in church anytime.

OUR FEBRUARY DONATION PARTNER IS GCPC'S OWN LITTLE FREE FOOD PANTRY. If you haven't seen it, this pantry is found on the east end of our property along Nieman Road. We stock the pantry with nonperishable items, and we see these items moving from the pantry each week. Sometimes the pantry is wiped clean. Volunteers check the pantry twice a week and restock as best we can. On occasion, we see donations added to the pantry from within the community as well. Please bring your donations to the Weekday Entrance anytime during February. The items most consumed are canned goods and individual snacks/drinks of any kind.

FEBRUARY'S COMMUNION OFFERING RECIPIENT IS ROSEHILL ELEMENTARY. Rosehill is a Title I school in Lenexa, and a longtime partner with GCPC. Title I is a federal program that provides extra math and reading support; Rosehill is eligible for Title I because of the percentage of students who receive free or reduced lunch benefits. A quality education is necessary for every child to be successful in life; GCPC's partnership with Rosehill helps ensure that all our local children are equipped to succeed. Make your donation online or in the offering plate; just note that it is meant for Communion Offering.
