One Great Hour of Sharing is one of three annual Churchwide Special Offerings of the Presbyterian Church (U.S.A.). These Special Offerings play an important role in defining what it means to be a connectional church in the 21st century, bringing together the diversity of the PC(USA) to focus and take faith-based action on shared concerns. The Offerings offer opportunities for partnership, learning, and witness and profoundly affect the life of the church as a collective witness to Jesus Christ's love for the whole church.

Dear God, we pray for the strength

to heed your charge to bring

justice to our hurting world.

Help us advocate for what is right,

that through our words and actions,

all people will know of your love.

Amen.

**ONE GREAT
HOUR OF SHARING**

God unites all gifts to create big impact.

Presbyterians have a history of working to build a more just, resilient and sustainable future. When you give to One Great Hour of Sharing, you are supporting the gifts and talents of people and communities all over the world and offering opportunities for partnership, learning and witness that profoundly affect the life of the church as a collective witness to Jesus Christ's love for the whole church.

The gift of sustainable development

Sustainable development meets the needs of the present without compromising the ability of future generations to meet their own needs. In Sri Lanka, more than 254 acres of land for displaced families were reclaimed, actively engaging 2,451 women in land rights campaigns and ensuring those women had a voice in policy advocacy while also addressing issues of food sovereignty and economic security.

The gift of partnership

Partnering in community development projects improves lives and builds stronger communities. More than 58 grants, nationally and internationally, served 7,450 people, empowering economically poor, oppressed and disadvantaged communities. These partners own, control and benefit directly from the projects, promoting long-term change in their lives.

The gift of service

Every day, spiritual and community leaders show amazing resilience in the efforts to rebuild and seek peace following a disaster. In one year, 1,858 people volunteered at host sites alongside survivors, giving more than 52,884 hours of labor for disaster recovery — equivalent to \$1.7 million in financial support.

Please give generously.
If we all do a little, it adds up to a lot!
