MONTREAT[®]

YOUTH CONFERENCE

A Montreat Youth Conference is a gathering of young people from all over the country for a week of fellowship, worship, and recreation.

1 **Keynote**

The keynote session gathers everyone together for movement and group building (fondly known as energizers), announcements, music, and keynote. Keynote is a 45 minute-ish presentation engaging conferees in that day's scriptural theme. After keynote, conferees head to small group sessions.

2 **Small Group**

Small groups allow youth to form relationships with others in order to have honest discussions with each other about questions raised during keynote and worship. Small group sessions are led by trained small group leaders, who guide conversation and lead group building activities.

3 **Recreation**

Recreation events are featured throughout the day and include everything from dance, games, and group building activities to snow cone parties, international crafts, and service.

4 **Worship**

After dinner, everyone gathers for worship. In worship, youth engage the Word of God as they seek to understand and respond to the challenges and triumphs of being a high schooler in the twenty-first century. Youth Conference worship is joyful, reflective, and seeks to glorify God using many creative gifts of the participants.
